She Is Gone by David Harkins

You can shed tears that she is gone

Or you can smile because she has lived

You can close your eyes and pray that she will come back

Or you can open your eyes and see all that she has left

You can turn your back on tomorrow and live yesterday

Or you can be happy for tomorrow because of yesterday

You can remember her and only that she is gone

Or you can cherish her memory and let it live on

You can cry and close your mind, be empty and turn your back

Or you can do what she would want: smile, open your eyes, love and go on.

James Funeral Home of Huntersville is serving the family.

“ Diane was always a loving and selfless woman. She would have given someone the shirt off her own back if someone needed it. She loved her family more than words could ever say. She will always be remembered and in our hearts. Until we see her again.
