

Florence Kirch

October 22, 1941 - March 7, 2021

Mrs. Florence “Flo” Kirch, 79, passed away peacefully Sunday, March 8, 2021.

The oldest of seven children, Flo was born on October 22, 1941 in Freeport, NY to the late Kenneth and Madeline Carman.

Growing up in Merrick, NY, Flo met the love of her life, Matthew “Matt” Kirch, while still in High School. They were married for 58 years this February. Flo loved her family and friends more than anything, and especially loved being “Nana” to her grandchildren. Always thoughtful, she never forgot to acknowledge an important date for family and friends. And with her warmth and easy smile, she made lifelong friends everywhere she went (which made for a packed calendar!). Flo was renowned for her cooking and baking, especially around the holidays. She thoroughly enjoyed living the beach life on Long Island and, during the winter, in the Florida Keys. She was preceded in death by her daughter, Karen Kirch, who was taken from us far too soon.

Flo is survived by her husband, Matthew Kirch, and son Jim Kirch (Denise); grandchildren Eldridge Moore, Jordan Moore, Andrew Kirch, Erin Kirch; her brothers John Carman, Kenneth Carman, William Carman, George Carman and her sisters Betty Maugeri and Dorothy Podel.

On behalf of Flo’s family, a very special thank you to all the staff at Levine & Dickson Hospice & Palliative Care for the extraordinary care and kindness shown to her.

A visitation will be at 2pm on March 17, at James Funeral Home. The funeral service will follow at 3pm. The funeral will be live-streamed on the James Funeral Home Facebook page at 3pm. www.Facebook.com/JamesFuneralHome

“ Flo and her family lived across the street from my family from the time I was three years old. She and my sister were close friends, and her sister and I remain close friends to this day. Lots of wonderful memories of her and Matt in Amagansett. A special lady.

“ My love and hugs to the Kirch family. Flo's smile was so bright when she would visit Karen, Jordan, and Eldee. I felt special when Flo would send me a note or card.

“ Aunt Flo, this caught me off guard. I wish I coulda spoke to you or saw you smile just one last time. Your passing has shaken me to my very foundation. I've been gone from “home” for way too long. And I am so sorry that I've been in the wind all these years. As a baby you were there for me. I may not remember it, but I certainly won't forget it. I love you and will miss you. Rest Easy. You're with my Cousin now.

“ Matty & family- Words cannot express how we feel about Flo. Though we've only known the two of you for 14 years we have what feels like a lifetime of wonderful memories. Islamorada was our winter playground and did we have fun! Flo was so proud of Jim, Karen and all the grandkids- she even "adopted" our family as her own. Our kids & grandkids loved her so! To say she was beautiful, kind, sweet & fun is an understatement.

We will miss her terribly
