

Holmes Mercer Davis

April 18, 1938 - October 10, 2020

Holmes Mercer Davis, age 82, of Huntersville died peacefully on October 10, 2020 at Lake Norman Regional Medical Center. Mercer was born on April 18, 1938 in Norfolk, VA to the late Joseph and Margaret Davis. He worked as a Senior Executive V.P. in the Banking Industry, then for First Union, which is now Wells Fargo. He'd proudly served his country in the U.S.A.F.

His beloved wife Dorothy Mixon Davis preceded him in death and Mercer joined her on what would have been their 62nd anniversary. No doubt reunited at the Rainbow Bridge with all of their precious dogs and cats to greet them. Bop-Bop as he was affectionately known, was an avid car enthusiast and loved taking RV trips all across the United States. He was not one to be idle; heaven help St. Peter.

Survivors include his son, Tom Davis and wife Maria of Denver, CO; daughter, Elizabeth Anderson of Cornelius; brothers, Joseph Davis, Jr. and Richard Davis; sister, Margaret Rogis and 4 grandchildren, Davis Anderson, Sydney Davis, Reid Anderson and Brooks Anderson.

A private service will be held at Lake Forest Church. In lieu of flowers, please make donations to the Levine Dickson Hospice House at 11900 Vanstory Drive, Huntersville, NC 28078.

James Funeral Home of Huntersville is serving the family. <http://www.jamesfuneralhomeLKN.com>

“ Elizabeth I am so sorry to learn of Mercer's passing. I wish I had known it sooner. Dotty was my lifelong friend and Mercer was a great friend when they married. We communicated regularly but I hadn't been able to get in touch with him and found out this sad news. My best to you, Tommy and all the grandchildren. I hope they are all doing well. He was so proud of them.

Love to you, Sissy Oubre, 5162 Claycut Rd. Baton Rouge, LA 70806

“ We were so sorry to hear of Mercer's passing. He and his wife were always the sweetest people and are missed. I had popped by to see him a year ago or so and he was the same as ever, smiling and gracious. Prayers to Elizabeth and the boys. Sending love. Kim and Bruce

“ I was able to meet Mercer through my mother Pat Seifert.

The thing I remember most was his passion and love for life. He was always so excited to talk about the things he loved. His camping experiences, his cars and the time he spent with his family.

I hope I can have the same enthusiasm about life as I grow older.

“ I met Mercer at one of our St Mark’s Respite social events through Pat Seifert. We immediately gravitated to him; he had a quiet sense of self assuredness - comfortable in any setting - while also being kind and caring. (Of course, we all fussed over him!) It did not take long for the deal to be sealed and we had forged many memories in a short amount of time! I am glad to have known Mercer as he left this life to enter his heavenly home!

“ I got know Mercer through his friendship with Pat Seifert. Every time I spoke with him, he had this brilliant smile that lit up the room. I enjoyed his positive outlook and was thankful for his friendship with my best friend, Pat. He will be missed by all who knew him.

Mercer your journey is done and now you may rest in the arms of our Lord! God bless you!

“ I was fortunate to meet Mercer through my mother Pat Seifert. Although I do not live in NC, I was able to spend some time with him when visiting family and had many phone calls together.

Mercer was always gracious and generous with his time and shared his experience with me as we have similar careers and interests.

What I will remember most about Mercer is that he was a vibrant person who was full of positive energy and southern charm. I still feel that today.

“ Mercer was a 1st class friend of the kind and gentle sort with a heart of gold. From his love and devotion to his wife of nearly 60 years to his stories of adventure in his RV and Jeep jamborees and his pride in his family and grand kids, Mercer will be sorely missed.

“ Mercer was a Man's Man, I remember we went to a Christmas Party in Kannapolis and the requirement was to bring a bag of groceries. On the way back to Huntersville, I wanted to come back via I 85 but Mercer said that would take too long and he knew the back roads. Well when we passed a certain intersection I said "Mercer I have seen this intersection 3 times" Let me get my cell phone out so we can get home before midnight. a 40 minute ride took us 2 and a half hours. He was a Friend always ready to help..RIP Dear Friend.

“ Two of my favorite pictures of dear Merc. I was blessed having him as my brother and will miss him dearly. He was funny, wise, and immensely unselfish.

“ Mercer was a tremendous friend. We enjoyed going out to eat and riding in the jeep. He was always smiling. Favorite time was when we went to Cajan Queen to eat in Charlotte. He told me we had to go there - he had a discount. We had a great time exploring Charlotte.

He was a gentle soul! He loved his family, friends and his dogs.

On Friday I received my last text from him indicating that he wanted some Wendy's Ice Cream. How I miss my friend!
