“ My deepest sympathy to all of Jedd's family. I am so sorry for the loss of such a young man. He touched many lives in his short years. God bless you all through this heart breaking loss.

“ My brother had the most humble of hearts. He would help anyone he could. He genuinely cared for people around him. He was so smart and resourceful. I could always depend on him to find a way to make things happen. Jedd gave his word and stood by it. He had integrity and perseverance. I pray that God tells him everyday how much I love and miss him.

“ My bright loving son is gone from this earth, he would always help me cook or do anything he could put his hand to to help. Always looking forward to build a better life an accomplishment's. His surprise visits with presents on occasions, and trips to the apple orchard will be sorely missed. As will his hugs, He is missed eternally. I pray to see him again in heaven, so he can show us all the streets of gold. I pray he sees me from heaven an knows I love him dearly.

“ I've known Jedd through his youth and never really got to see him as a young adult but even then... He accepted me with open arms.. wanting me to play trucks and things...There is nothing more sincere than a child's innocence.. they feel the presence of danger and flee immediately.. but he instantly grabbed my hand and said, "let's play" it's been decades since that day but it still makes me smile... Love you lil one and remember that you'll be in this old man's heart for a lifetime. May your memory live on in the hearts still burdened to live..

“ Jedd was such a hard worker and a good man. He loved his daughters and did the best for them. He's gone too soon and I will miss him.

“ I can't even find the words to express how I feel. Jedd came to the hospital with his dad , Tony nearly 10 years ago. Jedd just started his first job at Arby's and was so happy and Tony was so proud of him. They brought me a big Jamocha shake and they were having one too. I just had a surgery to remove my uterus. But at that moment the pain was gone. I was as proud of Jedd too. I am so sorry Tony, Stephanie, Billie, Dillon, Dayna, and Parker and to all the family.

Donny and I have you in our hearts. We hope and pray you will get closure.
