“ To the family of Joan Sharpe: I worked with her at AT&T. She was a dear friend. We had many laughs at work and other good times. I am truly sorry for your loss. I did not get an email this week and I just knew things got worse... God Bless Joan and her family.

“ Joan always made me laugh so hard my eyes watered and my belly hurt. She knew how to cheer me up and make the blues go away. That was all from down south all the way to Brockton by messenger. Will miss your sense of humor joan . Will miss our conversations by text. R.I.P. my friend.

“ I met Joan in 1959 when we were in 6th grade. I had just moved to Brockton & she was in the seat in front of me. We were pretty much inseparable throughout our teen years & the Henderson household was my second home. We were in each other's weddings & kept in touch throughout our lives. She was a warm, funny & true friend. I will miss her terribly.

“ Joan felt like family during the young days of raising our kids. I could count on her visits daily ! We would hop in the car dragging Stephane , David and Julie around with us stopping at stores , consignment shops and her favorite pewter store . My daughter was put in a speech class due to her acquiring Joans Boston accent We had lots of fun during those days. Our hearts are very saddened by her passing. Rest In Peace sweet friend
