“ We are very sad to hear of Linda's passing. Although, she has been gone from Briarwood in Walnut Cove for a while, we always thought there would be the chance of a Neighborhood Reunion. She was always a good neighbor and good friend. We all spent time celebrating various Holidays together. We were always there to assist each other in case of need, like bad weather, or trees down. Linda was always a positive light for us all. We will miss you!! Diane and Dave Coffill

“ Mommy, you know I'm the strong, hard-working woman I am because of you. You were always the kindest person I knew with the biggest heart. As a child, my friends said you were the cool mom. As an adult, I try to be the mother you were to me for Conner. There's no better example than you were. My heart is broken but mending slowly with thoughts of you reuniting with family in heaven. I will miss you always! ❤️

“ Mom, no day will pass that I won't miss you. I'm so grateful for all the memories and lessons you taught me. It was through your guidance, support, and love that I found my passion in helping others; I will continue that ministry in your honor. While I feel broken without you, I know you are no longer suffering. Thank you for the small reminders of your presence. I love you with all my heart. Cindy
