“ I was both horrified and devastated to hear of the passing of one of my best friends and neighbors almost 30 years ago. She and I had coffee together practically every day and my kids were friends with her kids. Even though we lost contact over the years,, I still thought about her often and missed the closeness we both shared. She was such a sweet person and was always there for me. I will miss her greatly.

“ I love this sweet lady so much! I always told my brother Ben that I love being around her and her wonderful family because they have so much love that they don't mind sharing! So positive and uplifting all the time. Mrs Wick was such a wonderful lady and will be missed. Love Angel

“ I can't remember a day that I didn't see Linda and Marshall in the yard The first spring I lived here as their neighbor; I would honk the horn and wave. I did it about 25 times and still no reaction. I chalked it up to the noisy road because surely this couple was as nice as they looked. Who wouldn't want to wave at this crazy smiling face with the hand flying out the window. Later I felt good yet not observant enough neighbor when I learned that they were deaf. Hallelujah, I thought to myself. My smile and crazy waving didn't make them uncomfortable. They just couldn't hear me to react. Later when I met them in person for the first time and there after. I exchanged hugs with them. May the Father shine HIS light upon you Linda and give you eternal peace.

“ Pete and I know that this is a very difficult time for you. For us, Linda will always remain alive in our memories as a kind, generous and heartwarming friend.

We often have thought of those days when, as neighbors, we often saw each other and had good times together, so we hope these memories of Linda will enable your family to live with this loss.

With our most heartfelt sympathy.
