“ Dear Roy, Nathan, and Joshua,
I am so sorry to hear about Peggy’s passing. My mind is flooded with so many memories of teaching with her at Emily Britain, the many Bible studies Tom and I shared with you at your home in Meridian. So many play dates our sons had. Peggy always had a smile on her face and I know she had deep faith in Jesus. I pray that God will help you through this sad time. You are in my thoughts and prayers. God Bless you.
With much love,

“ Fond memories tumble through my mind as I think of my Aunt Peggy. Such fun we had telling stories around the dinner table; sometimes laughing until tears filled our eyes. Some of my favorite stories were about my Aunt Peggy and my mother meeting and getting to know the Frazier family. Now those were prize winning adventure stories!

“ While I really didn't get to know Margaret, I loved seeing her look admiringly at her husband as he tenderly cared for her diminishing self. She seemed so happy to be worshipping where her son preached. Her smile was sincere and I can only imagine how her true personality will be missed by you, her loving family.
I do hope she's dancing before her King.
Sincere condolences,

“ Dear Roy and family, It's with a heavy heart that I write to you. Please know that I am thinking of you, and sharing your grief. Peggy was a lovely person, and always had a smile for everyone. It was a pleasure having her as a substitute teacher at Connoquenessing Elementary School from time to time. Take care, Sonie Laughead
