

## Oliver Schniederjans

March 16, 1941 - June 10, 2022

Oliver Harold Schniederjans, 81, of, Denver went to be with the Lord, June 10, 2022. He was born on March 16, 1941 in Missouri to the late Oliver and Florence Schniederjans.

Oliver defined what it means to be a Soulmate, a father, a brother, a friend, a mentor. He loved with fierceness in his heart and protected those he loved. Ollie was a friend to everyone. He was the kind of man everyone could depend on. He was the rock, the harbor, the home, the friend. No matter how big the storm, Ollie would put his head down, walk forward and you knew the sun would come out tomorrow. For those blessed with knowing him, know what it meant to have a champion in your corner.

Survivors include his wife and soulmate of 60 years Rosalie; son, Oliver and wife Ruthann of The Villages, FL; daughter, Lisa Wise and husband Chuck of Bridgewater, MA; sister, Gail Swaim; 7 loving grandchildren, 4 nieces and 1 nephew.

“ We were heartbroken to hear of Ollie's passing. He was a wonderful friend, always laughing, his contagious smile, and always a kind word for everyone. Rosalie, we know you are hurting so much now, but please find comfort in the love you shared and in your many memories. Ollie was a big part of our Trilogy community and know that we will never forget this wonderful man. RIP dear friend, you will be missed.

“ Rosalie and Ollie were two of the first people we met when arriving at Trilogy back in 2019. They took us under their wing and our lives changed for the best at that time. Ollie was always making me laugh so hard at our dinners that we hated to have them end every week. He was the first to help anyone that needed it and never ask for anything in return. He was an amazing man, adoring husband, awesome dad, extraordinary friend, and most of all a beautiful incredible man who I will miss terribly. May you Rest In Peace and watch over your beautiful bride. I love you Ollie

“ Ollie was one of the first people I met when moving to Trilogy. There wasn't a nicer person. Playing pool and bocce with him was a privilege. Sad to learn of his passing - one fine gentleman. He was so proud of his family and all their accomplishments.

“ Dear Rosalie and Schniederjans family,

*When Gail and I moved to Trilogy, both you and Olie reached out to us and welcomed us to the community. Olie and I both enjoyed bocce ball and we played with the group weekly. So much fun and laughs always throwing barbs at each other or the other team..*

*Olie always went out of his way to always say hello and to catch up in conversation either on the bocce court or the club.*

*He was a true gentleman and a good friend, both Gail and I will miss him terribly. Rest in peace my friend and thank you for your friendship over the years.*
