“ Oh Gloria, I am heartbroken for you and your family. I met Pat a few years ago when I walked passed your home and he introduced my then-puppy Vivie to her first Milk Bone. It was friendship-at-first-meet for me and Vivie (he called her "Killer") and I always loved chatting with him and laughing at his silly jokes. What a great sense of humor and what a character! Meeting you after having waved to you for months, sealed the deal - I have enjoyed so many lovely talks with you both and love your straight man/eye rolls to his sarcasm. Your love for each other is so beautifully evident. I know your world feels so empty without Pat. My family and I are sending love and wishes of the most comforting memories to you.

“ I am so sorry to hear of Pat's passing. He and I were friends and co-workers for over 30 years with Goodyear, both in Akron and then in Charlotte. We both retired at about the same time and sadly lost touch over the past few years. I will never forget his friendship, dedication, and enthusiasm for things in life.
