

Peggy Hamilton

March 11, 1926 - January 1, 2021

Peggy Puckett Hamilton, 94 of Huntersville died January 1, 2021. She was born on March 11, 1926 in Mecklenburg County to the late Conrad Dewey Puckett and Lorene Poole Puckett.

Peggy graduated from Long Creek High School where she met her husband Rufus Hamilton who preceded her in death in 2002. Survivors include her sons, Rusty Hamilton of Huntersville and Hoyt Hamilton (Carol) of Huntersville; daughter, Pam Hamilton (Keith Plyler) of Charlotte; siblings Conrad D. Puckett II and Earle Black; 4 grandchildren and 9 great-grandchildren.

Peggy was a lifelong member of Hopewell Presbyterian Church in Huntersville in which she was very active. Over the years she played the piano for the children's choir, helped out with the Brownie Scouts and volunteered as a cook at church camp for many years. She was also past treasurer of the Ella Houston Circle, member of the JOY (Just Older Youth) group, the Happy Knitters prayer shawl ministry and the craft bazaar group. She was awarded Honorary Life Membership in the Presbyterian Women in 2004.

Most importantly, we would like everyone to know (what Peggy made sure we all knew) ... all these "works" flowed out of a heart of love for the Lord and for people. Her love and acceptance of all of us was displayed on a daily basis. She was fun and enjoyed life to the full letting it overflow to family, friends and all who came into contact with her. Peggy was an avid Duke Blue Devil basketball fan which was a matter of friendly competition with some other family members who were Tar Heel fans. Peggy loved sitting on the beach looking at the ocean, just enjoying the wind and sun. She especially loved going to Oak Island where she and Rufus spent many happy days together. Yet, when anyone came to her with a serious concern, she turned to the Lord and shared words of hope that comforted. That is a heritage we will treasure for the rest of our days.

Special thanks to Deatra Foy and Bertha Waddell for the special care they have given to Peggy in recent months.

A graveside service will be held a 3 PM Tuesday, January 5 at Hopewell Presbyterian Church with Reverend Grady Mosley and Reverend Stephen Woodworth officiating.

Memorials may be made to Hopewell Presbyterian Church, 10500 Beatties Ford Road, Huntersville, NC 28078

“ I always loved Aunt Peggy. She had me as the ring bearer in her wedding to uncle Rufus and hosted a wedding shower for me & my wife in 1969. She was very kind lady, always interested in others. She was smart as a whip and had a vast knowledge of local and American history. Condolences to my cousins Pam, Rusty, & Hoyt.

“ Dear Peggy's family,
Please accept my condolences. I knew Peggy all my life and always found her to be a great neighbor, church lady, and I think, even distant relative. I remember her with great fondness as I did Rufus. She lived a long an God filled life, yet I know you will all miss her terribly. I send my love to all of you.

“ What a wonderful, incredible woman Ms. Peggy was! Just to read of all the ways that she impacted each life she touched is so inspiring and tells of her testimony of what a true follower of Christ she was. Her loss surely makes the world a dimmer place for those of us left behind. Our heartfelt condolences and prayers go out to all of her loved ones during this difficult time. May God comfort you and give you peace and may the wonderful memories provide you comfort until you meet again.

With Love,
Justin, Brandy, Summer and Chase Williams

“ I am very blessed with having such aunt as Peggy. From my childhood she was an ease to talk to. Always understanding and warm hearted. I always admired her in her deep faith in Gods word. That will never leave me. She always left me feeling encouraged. I'll cherish the memories of the trail from our house to hers. It was always exciting to run to Peggys with the dogs. Our trips to the beach on Easter and watching sunrise services on the beach will always be close to my heart. I will deeply miss her. I thank our Heavenly Father she was in my life. Truly blessed.

“ Peggy was like a second mother to me and always looked forward to the holidays at her house. Since she lived next door through the woods it was always fun to walk to her house. My fondest memory was when they put up fresh vegetables and when she made here corn from the garden. She and Hoyt made a trip with us to California; by car, and she and Mom had the best time on that trip; especially when we stopped at the Painted Desert and took some sand, she had a fit over that and it was confiscated by the ranger.She will be greatly missed and void in the family!

“ My sweet aunt Peggy was a true angel among us, a true Christian woman and her little light shown throughout her life! Always upbeat and never a complaint! A truly loving woman. I always enjoyed her delicious corn. I remember well the trip to California and how red face she became as she cried when we headed out! We did bring her back home! And the park ranger, a funny story I will always remember. EVERY time I visit the beach I will always remember her spirit. She loved the ocean! Well done thou good and faithful servant, and GOD SPEED!

“ How I loved the many years I spent working with Peggy on Hopewell's annual Bazaars. We painted and painted and then we would paint some more ! She taught me so much about the art of using different paint brushes and antiquing your piece of art once you were done. Sounds silly - but these were very special times in my life. She was a true fun loving, all inclusive, caring, sharing, God loving Lady - what a gem. She never said an unkind word about a single soul ... I can hear her saying, "Why don't we just not talk about that." So very glad I got to spend time with this very special Child of God. Rest In Peace sweet Peggy - you will be missed beyond measure Nadine Nist

“ My sympathies to Peggy's family. I only met Peggy a few times but the visits that we had with her and the family were priceless to me. I brought Catherine Poole down to visit and we (my mom, sisters) and the group from Huntersville went on a family history of cemeteries and oh, the memories are there for a life time. The Poole family / Puckett families and others made us feel liked we belonged there. They are truly Southern Ladies in every sense of the word. Love to you all. Margie (Tracey) Sares

“ Your Mom was one of the sweetest women I have ever known. She was always so kind and uplifting to me. What a treasure she was. Know that we love you and are praying for y'all in your time of grief.

“ It was a real joy to know Peggy and work with her during the year in preparation for the annual Hopewell Holiday Bazaar. Peggy painted many treasured keep sakes for the Bazaar, and folks literally stood in line to buy her "creations"!

If there is a "painter's room" in heaven, I'm sure that Toile Kidd, Nancy Poole and others will have a chair reserved for Peggy.

Each year when we had our annual "Thanksgiving Meal" on a workday the week before the Bazaar, we could always count on Peggy to bring a huge pot of her delicious corn.

Comfort and peace to those who are mourn her passing.

“ My condolences to Peggy's family and friends. I always loved the hospitality shown to us from when I was little until my last visit with my grandmother, Catherine, my mom & sisters. We had such fun visiting with Peggy and the family and traipsing through the fields and cemeteries looking for our ancestors.

May God Bless and comfort you all.

Love, Kathy (Tracey) Brzuchalski
