“ This grieves me horribly. Rachel was my bestest life long friend! We met at the first job I had after high school. Seems such a short time ago. This is impossible to get used to the idea that she went first. I am so sorry to all of her family... you know who I am talking to and you all know me!... love you all!!!!!! She would never have believed that so many would miss her so much!!! But we shall meet again in heaven. God bless you all!  
Love & hugs,

I have never met Rachel in person.. we met virtually through playing Words with Friends..a few years ago. We exchanged stories of our families since my two sons live in the US with their American wives.. Friends are people who embrace you from a distance whether we've actually met or not.. and Rachel was one of those friends I hold dearly. God speed and Rest In Peace dear friend.. May your family be given the strength and courage to move on with your love in their hearts always..

“ From the very moment I first met Rachel, I loved her. She was the kind of great open-hearted person that I only aspire to become. Rachel told great stories, and she made me laugh the full-throated belly laughs that heal body and soul. I was counting on seeing her again, on having more time. I truly hope we meet again.

“ My memories of Rachel ( Peggy) will ALWAYS be HAPPY ONES. She was my best friend and at the time, my sis-n-law, we have always remained CLOSE. There used to be a TV show on called the court ship of Eddies father, I changed the theme song to depict Peggy in it. I would sing to her, "people let me tell you about my best friend she has long brown hair and as pretty as can be". She would say , " Susy , you are so sweet". Loved her so much. And,if you know the show you remember the tune. Her and I were always rescuing animals of all kinds...from baby raccoons to birds. Her kind heart, gentle manor and loving ways will always be in my ( our) heart. My Mother Alice as Peggy referred to as (MOM) excepted her as one of her own along with her children, which we all love dearly! Hugs to you all, The Allen Family, Jefferson Ohio
