“ Dennis and Audrey,
Stan and I are saddened by the loss of your son Robert. We are praying for you through this shock, and through this time of grief, and lack of understanding. My brother died suddenly and it is hard to comprehend, but God knows exactly that. We are so grateful of Robert's relationship with the Lord and that his service will be a celebration of his life.
God likewise will comfort your hearts and your heads, as He knows they are not in the same place. God will meet you in the most unexpected ways so grieve deeply with Him, for His comfort will be like none other.
"Cast all your cares on the Lord, and He will sustain you." Ps:55:22

“ Robert was wise and spiritually mature for his age as a teenager in our youth group. It was an honor to have him in the youth. He was a voice of wisdom and I adored him. While his death is such a shock, I praise God for Robert's eternity with him and out of the pains of this earth. Prayers and air hugs for comfort and strength for the family as they face the incredibly hard and long grief work.

“ Audrey, Dennis, Cyndi and family, please know we are praying for all of you during this difficult time. I remember Robert as a polite, good and nice young man. Know you and your family are held close in our prayers and thoughts now and as time goes passes without Robert. Praying God will comfort you, strengthen your faith and surround you with love and tenderness, as well as support from your friends and family. What a glorious promise God has given us knowing you will see Robert again one fine day. Love and hugs.
