“ We have all missed seeing Mr. Osborne at Fifth Third. He was always such a joy to see about every day! I will forever look at a green lollipop and think of him. He is missed so much by all of us. We are all deeply saddened to hear of his passing.

“ Chris and Meredith,
I was shocked to learn of Renny's passing. I am deeply saddened to learn about this. I have such fond memories of him. He had a great personality and smile. I remember is love of having a good time, especially in playful and light conversation. May you both find your fond remembrances of Renna as comfort to your sad hearts. Blessings to both of you. “ Dear Chris Angela and Aunt Meridith, I am so saddened by the sudden loss of Renny! May God wrap his arms around you all, and give you comfort and peace. Renny never failed to make me smile! Definately One of a kind!

“ The whole Osborne family was good friends of ours since I can remember. Renny especially took good care of my dad, he was a frequent visitor with a big smile and a funny story to lift up dads spirit! Renny will be missed.

“ We send our condolences to Renny's family and most especially to the family member we knew, his sister Meredith Osborne Galvin. Herb knew Meredith many, many years ago as a much younger, single guy. Keris met Meredith years later when they worked together for the same estate sale firm. Funny, then, how the three of us came together to know each other and hear stories of brother, Renny. We certainly send our thoughts and our love to you, Meredith. May you find peace knowing that others care and that Renny is now resting comfortably with God.

“ It sure is funny to think back on the things that annoyed you as a child (and Renny could be annoying at times) and realize they have become fond memories as you get older. Our mothers, along with their brother, our Uncle Paul, were very close siblings which afforded an opportunity for me to spend a lot of time in Huntersville. Summers were fun and I could NEVER figure out how Santa Claus always knew when we were there for Christmas. There are many things I will remember and miss about Renny. By far, the one I will remember and miss the most are his telephone calls that always began with his saying. "this is your favorite cousin". It is certainly difficult for me to be at home when I would much rather be there at this time. Maybe soon we can travel once again.

“ My husband and I would meet Renny at the dirt race track about every week end during warm weather. I also waited on him at the bank in Huntersville. He was always smiling. He was a good friend. He will be greatly missed! Henry and Gay Cook, Warrensville, NC

“ Renny and my late husband, Kenneth Cooke, were great high school buddies. In fact, Kenneth and I used to double date with Renny back in the 60's. We had fun and made many good memories for a lifetime. I am sorry to hear of his passing. May God bless his family in the days to come.

“ So many memories. Thank you for taking an interest in me when I was a child. Renny, you will be inducted into the Cousin’s Hall of Fame. I remember Friday night dirt track races at Starlite Speedway. Also, the races at Metrolina to watch Dale Earnhardt. I remember you taking me to the baseball games to watch the Charlotte Hornets when the Hornets were a baseball team. One special memory is you letting me drive your 1969 GTO to the junior-senior prom. Uncle Charles had a fit but he got over it. I remember you being at my wedding 25 years ago. So thank you and Rest In Peace cousin. Steve Styers

“ You were such a character!! You came by our house almost every day...sometimes multiple times a day..so much that there was a little path worn in your yard..always asking me if I "played post office today" and telling me if I had to work tomorrow. You called all the time to tell Jimmy that John Wayne was on....or to tell us how much you didn't like the Panthers and that the Redskins were gonna beat them..so many memories...you were a great neighbor..nothing happened at my house without you knowing it...I never worried about my house when I wasn't home...We always took our trashcans down on pickup day but rarely was I ever able to beat you to bringing them back up for us. .. and oh how you loved your rice Krispie treats. You always knocked so hard on our door that it made us jump...we didn't even have to look to know it was you..I'd open the door and there you would stand with your Rice Krispies and marshmallows..you usually didn't say anything but "Thanks" before you turned and walked off and it just cracked me up! We'd bring you a plate for supper if you wanted it and it was a running joke to ask which ever of us brought it to you if you shut the door in our face..we were never offended..it was just the way you operated! You were one of a kind..they broke the mold when they made you..we are SO going to miss you. We love you...there will never be another like you...eventually we know there will be a new neighbor but they will NEVER fill your shoes....and nobody but you, me, and Jimmy would understand this but it's Sunday and you always said "Sunday is AUTOMATIC"..
