“ *My sincere condolences to Sharon's family. Sharon & I worked together many years ago. She was smart & witty! (Cox with a X 🤔🤔) She named my new car in '98. Suzy Sebring.*

*I'm so very grateful that we reconnected on FB, several yrs ago. Sharon was a resilient woman. She loved her family. She had such a big ol' heart. And, a beautiful soul. Sleep well, my friend*

“ *Sharon... you can finally rest. You fought a long hard battle for the majority of your life here you were a strong woman and now you can rejoice with all those who passed before you. There is comfort in knowing that you are finally pain free and healthy once again. I know your homecoming was an amazing one. Save me a spot with the family. I miss you and will forever love you.*
