“ I was very young, but I remember the entire McCrindle family as wonderfully warm and friendly neighbours in Riverside (now Windsor) in the early 1960s.

“ I want to offer my sincerest condolences to you, Judy, Jamie, John, Jennifer, your partners, children and grandchildren. I know that you were braced for this moment but nothing can truly prepare you for the deep loss of losing your Mom.

I have many great memories of your mother. Enjoying the huge spread of massive Saturday night dinners with steaks as thick as my arm at your cottage in Grand Bend. Tons of laughter and merriment around that big table! I also used to love it when your Mom would telephone Judy from Calgary at the flat Judy and I shared when she KNEW Judy wasn't home so that she could get the real scoop on what we were up to. Her laughter, spirit and friendliness was always true. She always greeted me with a giant smile and a hug. I will miss her but I know that she is at peace now.

Big hug to you all.

With Love,

Loss

We can weep  
Thousands of times  
But it will  
Change nothing  
Our loved ones  
Taken to soon  
Are beyond the stars  
In heaven  
We can speak  
Every single moment  
But we will not  
Get an answer

A lot  
Is missing from our moments  
A hug that laugh  
A light  
That lit up a room  
When our loved ones entered  
Our every moment  
Has changed forever

I am asking myself  
What keeps us going  
When our hearts are shattered  
Beyond mending  
Our driven ability  
To put one foot  
In front of the other  
In memory  
Of that person we lost

We can sit quietly  
In the evening  
And think back  
On memories we had together  
Seeing a brilliant star  
Lighting up the night sky  
We will stop and reflect  
On the person we lost  
To soon

A beautiful rainbow  
A fairy garden  
Reading the pages of a book  
A television program  
We watched together  
A song on the radio  
Or a guitar player  
On a street corner  
All reminders of our loss

The beauty of a sunrise  
Reminds us to live  
Sitting quietly  
In the house of the lord  
Angry feelings sad  
All alone in our grief  
Ones feelings  
All mixed up like paper mashie  
Asking all the time why  
But still no answers

But we must live on  
To tell people  
We loved  
We suffered loss  
And in doing so  
We remember  
The very special people  
Who now live in paradise  
We try and help each other through  
From day to day  
And remember to try  
And smile  
And one day  
The broken chain  
Will be linked again  
In heaven  
As we are promised
