

Stan Jacques

May 9, 1944 - April 21, 2021

Stanley "Stan" Mitchell Jacques, 76 of Charlotte went to be with the Lord on April 21, 2021. He was born on May 9, 1944 in Iredell County to Ethel "Dot" Jacks and the late Emmett Homer Jacks.

Survivors include his partner, Donna Dye; mother, Dot Jacks; and brother Tom Jacques (wife Colleen, Tom's daughters Heather and Haley Jacques), Fay Jacques (sister-in-law), niece Debbie Rhea (Wesley) and nephew Greg Jacques.

Stan was predeceased in death by his brother, Jerry Jacques.

Stan has had many careers and hobbies in his lifetime. He was a Mechanical/Electrical Engineering Designer for 15 plus years which included working at a Naval Shipyard in Virginia.

At H. L. Yoh Central Technical Services, he provided power and lighting design for churches, hospitals, military bases and office buildings. Mechanical projects included designing parts for spinning machines and Kevlar machines as well as many others.

He was a Licensed Insurance Agent for American Family Life. Was employed at Bi-Lo as head cashier, front end manager and translated for Spanish Speaking customers.

Also included in his many ventures, he was a Purchasing Manager and Assembler/Installer for custom built PCs.

Most people will recognize Stan for his musical careers and endeavors. At CPCC, he was a guitar instructor for 10 years, but also taught privately for over 50 years. This included several music studios/stores in the Charlotte area and The Jacques Studio.

Stan played guitar with several Pop/Rock band and was a vocalist as well. He had 43 years experience as solo Guitar/Vocalist.

It has been said by many of his students that not only were music lessons taught, but life lessons were imparted to them.

"Carolina Entertainment" on TV21Access was hosted and produced by Stan for over 30 years as a way of introducing many local and national artists to this area. He was volunteered in the studio and shared wisdom and knowledge to "newbies" who were just beginning. He helped many of the other producers as we became like family for many years.

His camera and photography skills were superb and some of the candid shots at events were astounding.

He had so many stories and jokes which would just captivate folks. Humor was so much a part of his life.

When asked how he would like to be remember, he said "Teacher, Musician, Friend". That pretty much sums up who he was. A person could not ask for a finer friend who would be there for you anytime, night or day. He would tell people, he would be available "24/7" and what an example he lived.

He truly had no idea the impact he left on people's lives and was just starting to believe that his time here was so important.

Memorials may be made to Hunter Acres Baptist Church.

The funeral service will be held at 11 AM Thursday, April 29 at Hunter Acres Baptist Church. Visitation will be one hour prior at the church. There will be a separate graveside service at Iredell Memorial Cemetery in Statesville, NC at a later date.

James Funeral Home of Huntersville is serving the family.

“ Stan was quite the entertainer! He often visited my repair shop to not only have his guitars fixed, but to talk about all manner of music and life lessons. He was a great encouragement and also helped me in my business. We will certainly miss you, Stan.

“ Stan was a wonderful person. My son Nicholas and I were is a music group with him at Sam Ashe. He plucked the strings of his guitar with such grace, it was always a pleasure to hear him play. Stan had a great sense of humor. The most beautiful thing about him was his dedication to teaching. Stan was disciplined and patient with his students. He passed on his knowledge of music theory to my son Nicholas. Stan had a beautiful soul and will be truly missed.

“ I did not know much about “music appreciation” but I did know what a “true friend” is and I appreciated that Stan befriended me many years ago. We all will miss him.

“ Mr. Stan the Guitar Man! What an enormous contribution you have made throughout your life by sharing your wisdom, intelligence, talents, string skills, wit and sense of humor with everyone who knew you!

We thank you for introducing Aron Stornaiuolo to Jazz and am so fortunate to have crossed paths with you and Donna Dye at the Friday night guitar jam circle at the Sam Ash Music store six years ago.

We will always cherish the times we spent with both you and Donna! We are ever so grateful for your endless encouragement, support and love shown towards Aron! We appreciate you both attending Aron's performances over the years from middle and high school musicals, shows at The Evening Muse, The Blumenthal, The Jazz Room, music festivals and even having Aron as a guest on Mr. Stan's television show!

A special memory is a road trip to purchase Aron's Gretsch White Falcon guitar and Henriksen jazz amp! Mr. Stan & Aron behaved like kids at a candy store at Soundpure in Durham, NC

Another special memory was when Aron and Mr. Stan entertained the residents at Mr. Stan's mother's assisted living center. It was heart warming to see these "Gretsch Gents" bring so much joy to the residents with their music and guitars, especially for Mr. Stan's Mom!

Mr. Stan your legacy will live on through every student you have guided and and everyone you have met and had a guitar conversation with!

You are definitely a guitar maestro, we will surely miss your guitar playing here but know that you will be a grand addition to the music in Heaven!

Rest In Peace Mr. Stan the Guitar Man!

Thank You for the Music & Cherished Memories! We Love You!

“ It's true, "There is no substitute for experience." Thankyou Stan for being exceptional.

“ All of my cousins are special, but Stan was "SUPER SPECIAL." He truly "had his act together." He was unique in so many ways which among others were brainy, funny, spiritual, patriotic, caring, serving, and very deep thinker. He had something to offer and he went about doing it every day. "Talent on display" is one way to describe him. To all of Stan's family and friends: Comfort and Aid, Love, Prayers, and Blessings from me, Teddy and all our family members. We are so sad to not be able to meet and greet each of you in person at this time of difficulty for all.

“ Donna....Phillip and I are thinking about you at this difficult time. Our world has lost a beautiful soul....heaven has gained an amazing musician to play in the heavenly band. Our time with Stan was a blessing to both of us....St. James Male Chorus will not be the same without Stan quietly sitting in the chair, guitar propped leisurely on his lap and playing the most beautiful music!! You were his special angel!! May God grant you strength and peace and may all the beautiful memories you and Stan shared give you comfort.

“ I remember Stanley's musical talent. He was never far from a guitar. I, too, was in that play, "Cheaper By The Dozen" with so many classmates. What fun we had rehearsing! My condolences to his family. Now, Stanley, the angels will get to hear your beautiful music and voice.”

“ Stan was a bright star that sat apart from others. He was caring, entertaining, and very humble. I was not aware of all of his accomplishments but he moved through life without asking much of anyone during the time that I was acquainted with him. The miles and years have separated us from our classmates but I still remember Stan's funny chuckle and then that smile as he started strumming his guitar. My thoughts are with Tom and all of Stan's family and close friends.

“ Stanley was a great friend of mine in high school. We were in the junior play together, “Cheaper By The Dozen”, in which Stan had the lead role. I'm pleased that he had a good life, and my condolences to the family for their loss. Joe Darrell
