“ Terri was our neighbor in Washington. It was such a joy to walk out my door and see a smiling Terri. She always had a kind word or advice to share with me when I needed it. Every year, I think of her when the butterflies flutter around the bush she gave me for my birthday. We are so sad to hear of her passing. Our deepest condolences to Roy and her family.

“ I will always have fond memories of Terri. I too was a merchant in the town of Washington where Terri and Roy lived for many years. Terri never had an ill word for anyone and was probably one of the nicest, kindest and most gentle person I've ever known. Terri and Roy were loyal customers at my restaurant and just about every Wednesday evening they and their closest friends would enjoy good food, great laughs and good wine(not necessarily in that order). I will always remember those Wednesday night dinner parties as you could always feel the love that surrounded that table. Terri, you will be missed ...
