

## Tommy Dorsey Caldwell

May 19, 1940 - August 3, 2019

Tommy D. Caldwell, age 79, of Cornelius, passed away on August 3, 2019, at Northlake House from complications of Parkinson's disease. Born on May 19, 1940 in Catawba County, he was the son of the late Dorsey and Helen Caldwell. He grew up on a farm with strong Christian values and attended Mt. Ruhama Baptist Church. Tom was a member of Bethel Presbyterian Church, Cornelius, NC since November, 1990, and recently attended First Baptist Church of Cornelius.

Following graduation from Bandy's High School, Tom attended Elon College and Lenoir-Rhyne College, followed by his dedicated service as Sergeant in the U.S. Army Reserves from 1963 to 1969. Tom's solid work ethic learned on the farm carried him into a successful 40-year career in the construction industry in the areas of Training and Development since 1966 retiring in 2005 as Vice-President of Workforce Development for Carolinas Associated General Contractors, a construction trade association in North and South Carolina. Tom was always remembered by those whose lives he touched in the construction industry. He was passionate about training the future workforce of the industry while employed by AGC. Following his retirement, Tom formed his own company, Caldwell Workforce Development Associates, Inc. where he continued his long-time service to the industry offering training support and assisting Tansey and Associates by conducting NCCER Craft Training and Assessment Audits. A scholarship is established in Tom's name with the AGC Education and Research Foundation and awarded to students pursuing careers in the industry.

Tom was honored with many awards during his long career including the Order of the Long Leaf Pine Award in 2001, NC's highest honor—a prestigious award presented by Gov. James B. Hunt to individuals who have a proven record of service to the state of North Carolina. Tom was a 50-year member of The Grand Lodge of Ancient, Free and Accepted Masons of North Carolina and a long-time member of Oasis Shriners.

Survivors include Judy, his devoted and loving wife of 36 years; his son, Trent of Maiden, NC, brother, Steve of Newton, NC, sister, Susan Elmore and her husband, Erick, sister-in-

law, Carolyn Hildreth and her husband, Mike; and many nieces, nephews, extended family, and friends. Tom was predeceased by his brother, Bill and sister-in-law, Wilma.

Tom enjoyed boating, working in his yard, helping others with “home” repairs, traveling, collecting wildlife art, watching Westerns, and spending time at his second home in Apollo Beach, Florida. Tom fulfilled a life-time dream by building his own home in 1987—a home he thoroughly enjoyed. Recently, Tom enjoyed Rock Steady Boxing with Coach J. T. Smith. The class was specifically to “fight back against Parkinson’s” where Tom made many friends and enjoyed his classes.

A service honoring God for Tom’s life will be held at the Chapel at James Funeral Home, 10520 Arahova Drive, Huntersville, NC at 2PM on Tuesday, August 6, 2019, followed by a private Masonic burial at Mt. Ruhama Baptist Church in Maiden, NC. Visitation will be one hour prior to the service at the Chapel.

In lieu of flowers, please consider a contribution to Shriner’s Hospital for Children, 950 W. Faris Road, Greenville, SC 29605 or Holy Angels, P. O. Box 710, Belmont, NC 28012.

The family wishes to thank the entire staff of Northlake House and Hospice and Palliative Care Charlotte Region for their excellent care.

Arrangements are in the care of James Funeral Home, Huntersville, NC.

“ I coached Tom at Rock Steady. I thought he hated me because when I would approach him he would say 'oh You again...!', but then he would reach out for me when he needed help putting his gloves on or walking across the balance beam and he always came back for more. I enjoyed his stories of growing up on the farm and he talked about the house he built. I realized I had made a true friend when one day he came to class and brought me sausage from a freshly slaughtered pig...I was honored. I am grateful for my time with him and grateful to learn that he looked forward to coming to class. Judy, my condolences to you, and please know that you are always a part of our Rock Steady family.

“ We were so sadden by the news of Tommy's passing.  
We recall boating, partying, and just having loads of laughs with you both. Tommy was funny, stubborn and loving all in one. We will miss him and the stories he shared and his time with us.  
Know you are in our thoughts and prayers. And if you need anything at all, don't hesitate to call us.  
Love,

“ Judy, I met Tommy during a very stressful time in my life and he took me under his wing and taught me so very much. I loved him like a brother. When he talked about you, I could see the adoration in his eyes. You were the love of his life. He got so excited when he would find a special frog he thought you would like. He'd show me the pictures and his face would glow just thinking of giving it to you. Such a smart man at work as well. He organized "Career Days" and in school construction classes for the young and touched so many lives .... many that didn't realize the work that he did for them. What a great man!! I feel so honored to have known him! Ginny "Bigham" Price

“ Judy and Trent,

Our thoughts and prayers are with both of you. I'm still in

disbelief that Tommy is no longer with us. My heart is heavy

because I will not be able to attend his service today. Please

know that so many wonderful memories flow when I think of the

time I worked with Tommy, as well as spending time together

after I left AGC. I'm so grateful to have known such

an inspiring man.

“ Judy, Sondra and I are away from the area and cannot attend Tom's funeral. We regret that we did not know of his deteriorating condition. We actually had moved from Davidson in 2018 and lost contact with folks there. Please accept our condolences for his passing. He was a wonderful friend and classmate from Bandys High! He was blessed by having you as his spouse and companion. May he rest in peace and we look forward to seeing him on the other side. Sincerely, Lewis and Sondra Sigmon
