“ *He was my dad. But I never met him. Even though he left my mother and I. I still harbor no ill will towards him. I wished he lived a peaceful life even if he didn't meet the man I am today. Please Rest In Peace Tran.*

“ We are so sorry to hear of Tran's passing. My husband and I are regular morning attendees of the Keith Family YMCA. Tran frequently spotted my husband and teased of how much weight I lifted. His smiling face and kind demeanor will be missed. Please accept our heartfelt condolences.

“ Con người lúc nào cũng tươi trẻ, cười đùa, tiếu lâm, lan toả cho mọi người khi tiếp xúc dù là lần đầu, cảm giác lạc quan yêu đời, tiếu ngạo giang hồ, phấn khích cuộc sống... Tôi nhớ mãi hình ảnh một chàng trai hăng say tự nguyện làm một "Janitor" thu dọn bãi chiến trường ngổn ngang bia rượu sau các buổi dạ tiệc liên hoan kéo dài...

*Chúc bạn an nghỉ trong Vòng Tay Yêu Thương của Đấng Tối Cao. RIP!

“ Tran was a regular morning member at the Keith YMCA. He was a staff and member favorite. His humor always kept us smiling and I don't think he ever met a stranger in the fitness center. We are heartbroken to hear about his passing. He touched all of our hearts and will be greatly missed.

“ Our Dearest Tran Tran:

You will always have a special place in my heart. We love you and will miss you dearly my little brother. You were always that positive light I looked to for a smile, encouragement, and love. It was my honor and privilege to know you and to know of the goodness of your soul. I can still hear your laughter as we shared a meal or a story or a really good joke. Those memories will live on and your legacy reverberates within our small Big City of Charlotte and ripples wider than the oceans can ever separate; your love and compassion for others boundless. Please watch over us as we try to live as you have lived- with a life worthy of all that is pure, of laughter and joy, brotherhood and humanity.

My heart bleeds and I pray that time will heal us of your too soon departure into Almighty's embrace and safety.

Heartfully yours,

Linh Ellie Q.

“ A cousin, a friend so generous and so willing to help, and so enthusiastic! May God remember you with all the good things you've given and done. I will remember, and so will do all the family that you have met here in France last summer. So glad to have known you more and so glad to have given you the best to make you and your wife and son, Loan and Kenneth, happy. I wanted to receive you as you received me: the best of what we had even though small... (like my flat), even though we had the barrier of the language and culture. We saw how much you wanted people to be happy together whatever life had divided them. You loved so much your mother! You cherished Loan, Vincent and Kenneth so much, you told me and showed it. And you talked of everything with such an open mind, energiccaly and spontaneously like a child impatient of learning and feeling alive and amazed! I took a picture of every precious moment because I know how life is fragile. But I have this holy hope that heals every soul: one day, the Buble says that God will repair all things on earth and give us a new life, where we will meet again. While waiting, I wish the best for your family, our family. We are all in sorrows now... but we are together, as you had always wished. So, ... see you soon. This is just an "au revoir" Trinh (Anne d'Orion), France, Paris.
